neumi®

Powered by HydraStat™ Technology.  
Full & Lush Leave-In Hair Therapy.

## Product Overview

Neumi Hair is a revolutionary new formula for full & lush leave-in hair therapy. Neumi Hair's HydraStat™ Technology delivers its powerful ingredients, maximizing absorption. This innovation ensures that every application penetrates profoundly, revitalizing the scalp and promoting healthier, more vibrant hair.

## Superior Absorption Through HydraStat™ Technology

Neumi Hair uses our proprietary HydraStat™ technology to break down its active ingredients into tiny particles, making it easier for them to navigate deeper into your scalp, increasing the benefits of the same amount of product! We get delicate ingredients where you need them for incredible results faster than ever before.

## Key Ingredients in Neumi Hair

- **Niacinamide (Vitamin B3):** Improves scalp circulation and strengthens the barrier to support healthy hair growth and shine.
- **Copper Tripeptide-1 (AHK-Cu):** A skin-signaling peptide known to help thicken hair, improve follicle health, and restore scalp vitality.
- **Essential Amino Acids (Arginine, Lysine, Proline, Threonine, Serine):** Fuel keratin production and help reinforce the hair shaft from root to tip.
- **L-Cysteine:** A vital component of keratin that strengthens strands and supports healthy hair structure.
- **Glutathione:** A powerful antioxidant that protects the scalp and supports hair regrowth environments.
- **Hyaluronic Acid:** Provides deep hydration for scalp and hair—helps reduce dryness and enhances smoothness.
- **Panthenol (Vitamin B5):** Moisturizes and conditions the hair shaft for shine and manageability.
- **Allantoin & Polyquaternium-7:** Soothe the scalp and reduce frizz with a soft, non-greasy finish.
- **Caprylyl/Capryl Glucoside, Lecithin, Propanediol, Glycerin:** Enhance moisture balance and deliver active ingredients effectively without buildup.

## Product Benefits\*

- Hair Strengthening
- Moisture & Smoothness
- Increased Hair Density
- Scalp Health
- Heat Protection
