neumi®

Powered by HydraStat™ Technology.  
Now with more of what matters most.

### Product Overview

For those who want more from their antioxidant routine, NutriSwish® Extra Strength delivers exactly that. This enhanced formula features 48% more Glutathione and L-Cysteine, plus CAVACURMIN®, an enhanced-bioavailability curcumin, working together in a self-reinforcing cycle to strengthen the body's natural cellular defenses. Just swish our enhanced formula in your mouth for 30+ seconds and swallow to experience our most powerful antioxidant formula yet!

### Superior Absorption Through HydraStat™ Technology

Gone are the days of waiting months to see results from supplementation! We have set out to disrupt the health industry through the rapid absorption of key ingredients using our HydraStat™ technology. This ingredients delivery system is the way of the future, and we are the trailblazers!

### Key Ingredients in NutriSwish® Extra Strength

- **Increased Glutathione:** Now with 48% more glutathione (GSH)—this enhanced formula provides more of the body's key antioxidant compound to help support normal antioxidant defenses and cellular wellness.
- **Increased L-Cysteine:** Now with 48% more L-cysteine, an amino acid that supports the body's natural production of glutathione and works alongside the glutathione in the formula to strengthen overall antioxidant support.
- **Increased Calcium Ascorbate:** Now with more Calcium Ascorbate, a buffered form of vitamin C that helps protect cells from oxidative stress and supports normal immune function.
- **CAVACURMIN®:** A curcumin-based support ingredient included as part of the formula's broader antioxidant-support profile.
