

NeuMist™ Immunity

Powered by HydraStat™ Oral Spray Technology.
Nature-Sourced Daily Immune Support.

Product Overview

Most immune support only shows up after you're already feeling it, and by then, it's too late. NeuMist™ Immunity was built to change that. Through our HydraStat™ Oral Spray Technology, we deliver a nature-sourced blend of fucoidan, zinc, and arabinogalactan directly where your body can use it. Together, these ingredients work to support immune cell activity, defend against everyday stressors, and strengthen your body's natural response system. This is support you can count on every single day, not just in moments of crisis. It's proactive, everyday defense, made simple.

Superior Absorption Through HydraStat™ Oral Spray Technology

NeuMist™ Immunity uses our proprietary HydraStat™ technology to break down its active ingredients into tiny particles, making it easier for them to navigate deeper into your body, increasing the benefits of the same amount of product! We get delicate ingredients where you need them for incredible results faster than ever before.

Key Ingredients in NeuMist™ Immunity

- **Fucoidan:** The oceanic immune shield. A sulfated polysaccharide obtained from brown seaweed and has been studied for its potential role in supporting the body's natural immune response.
- **Zinc Gluconate:** A highly bioavailable form of zinc, which is an essential mineral involved in over 300 enzymatic reactions. Well-tolerated and efficiently absorbed when delivered sublingually.
- **Arabinogalactan:** A naturally occurring polysaccharide derived from larch trees and is included to support normal immune-system function.
