Clean Energy. Calm Focus. Everyday Readiness.

Product Overview

Everyone knows the tradeoff that comes with typical energy products: a quick boost followed by jitters and a crash. We've designed NeuMist™ Energy to break that cycle. Through our HydraStat™ Oral Spray Technology, we deliver a clean, fast-acting caffeine blend that supports alertness and focus without the anxious edge or midday slump. Whether you need to power through a workout, a workday, or everything in between, NeuMist™ Energy is here to give you the boost you need.

Superior Absorption Through HydraStat™ Oral Spray Technology

NeuMist™ Energy uses our proprietary HydraStat™ technology to break down its active ingredients into tiny particles, making it easier for them to navigate deeper into your body, increasing the benefits of the same amount of product! We get delicate ingredients where you need them for incredible results faster than ever before.

Key Ingredients in NeuMist™ Energy
